Career Objective

I'm a detailed and well-organized team player. I learned to listen and act responsively at the beginning of my career. I'm here to land a challenging job in this reputable company so I may broaden my knowledge, skills, and learnings. Obtain a responsible career path that will allow me to make the most of my education and experience while significantly contributing to the organization's growth.

Education

2017-2019
Bise Multan

Matriculation

Completed matriculation with Physics, Chemistry, and Maths as major subjects. I've enjoyed Mathematics and English the most. Mathematics has helped me learn programming and English improved the communication skills.

2019 - 2021
Bise Multan

ICS

I've been passionate about computers since this term was introduced. I've completed intermediate with Computer and additional mathematics privately to grow in computer science industry. I hope it's going to help in a longer run of my career.

Experience

Techup Solutions (Pvt.) Ltd 2019 - Present
Web Designer

I've passionately enjoyed working here as a front-end developer. I've been provided a good learning environment. I've completed a few custom PSD to HTML projects, did some WordPress websites. Designed the UIs of mobile apps. Completed a few custom PHP management system projects. I've good hands-on experience debugging WordPress websites. Optimizing the performance and designing from scratch.
